TO Marina Gillespie-Sheen

Hey baby! Well its the end of the year and soon we'll be seniors- Yea! Well I just want to say that I had the pleasure of getting to know you better this year! I've discovered your complex, yet mysterious and delightful personality. I can't believe so many topics can be discussed in an hour's Algebra class? What were some of the things we talked 'bout? Guys, sex, partying- and the ever popular ragging at people at assemblies! Thank for putting up with my problems and listening to my tales about Pete and other people? We've got to get together during the summer. Hope we stay ~~together~~ friends 4-ever cuz you're totally special.

Off the
wall

It's an all out trip! Bizarre! Compare it to Hipp! or Crazy! Face it, we've got it all, we're off the wall!

From the outside, our rather average looking Glendale High School may not scream the adjective, WILD! But, you must understand, even the most everyday guy or gal sitting around campus at noon holds an enormous capacity to get creative, let themselves go, and let it all hang out. And that, is what this is all about! So, kick back, relax, and view the year at a glance.

Haunted Carribean Isle

There was a certain "chill" in the air the night of the Halloween dance: However, that was to be expected as the mysteriously transformed student body crossed over into THE HAUNTED CARRIBEAN ISLE! Ranging from island-like creatures to the beach itself, GHS students sported costumes that definately displayed their amazingly festive talents. The fun loving crowd never missed a beat as they danced into the midnight hour. Couples eventually went on their ghoulish ways.

What are these students getting up to for school to?

"As 1st semester President, I cannot express how much of a pleasure it was to work with the individuals who made up 1st semester cabinet, and to work with our advisor **Mr. David Dryden**, whose guidance proved to be invaluable to us all." said **Tim Cho**. First semester cabinet began with a group of highly enthusiastic individuals ready to work. Much had to be accomplished in such a small amount of time, yet 1st semester cabinet's diligence amounted to success. Its goal to ratify the school's budget in less than twenty school days was reached, but only after hours of deliberation. The Red Cross Blood Drive, Homecoming carnival and assembly were also successes. However the event that epitomized the hard work of first semester cabinet was the success of the Homecoming Dance.

Tim Cho, 1st Semester ASB President.

Second Semester Cabinet

The key word for 2nd semester cabinet is "United." Accomplishing great tasks, 2nd semester cabinet worked extremely well together. With the help of our most ablest and talented leaders, cabinet accomplished many goals. Our progressive and straight forward attitude helped us strive for success as seen through outstanding assemblies, activities and spirit. In addition, the cleaning up of the student constitution provided better rules, making school a more memorable experience.

A Night Of "Heaven"

The Junior Prom was a blast. On January 9, 1988 at 7:30 P.M. the dance began. The Dance theme was "Heaven" and it lived up to its name. Everone came dressed to impress, and brought their heart-throb dates. This year's junior prom queen was Julie Desario. Her Court followed: Kim Myers, Krista Chamberlain, Claudia Bautiste, Lynn Renolds and Cindy West

"The Junior Prom was a very exciting night for me, replied this years Queen Julie Desario. It will always be a special memory of my High School years. Thanks to the Junior class for making it a night to remember! I hope next years queen will have as much fun as I did."

The Tradition Lives On!

Senior spirit NEVER dies!!!

Spirit Of Oratorical Unites G.H.S.

G.H.S. students anxiously await for the ceremonies to begin.

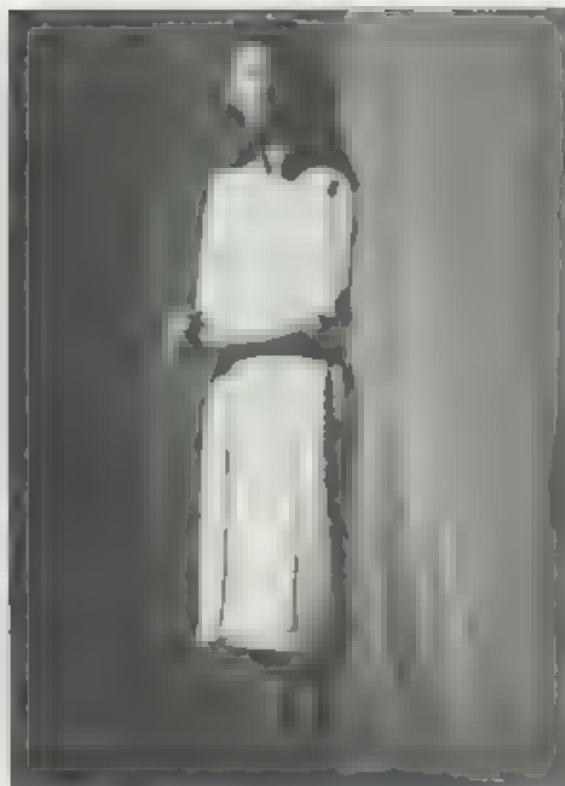

There's a certain sense of unity in the air on the day of Oratorical, even before the ceremonies of the annual class competitions begin. Everywhere you look students are traditionally dressed in black and white showing their spirit and pride for their fellow classmates. Yes, this is what Oratorical is all about: TRADITION, UNITY, and PRIDE!! As a custom of G.H.S. for 79 consecutive years, Oratorical continues to unite students of the same grade level as one. It all began in 1910, at the Harvard Street Plant, where the very

first was held. Since then many changes have occurred, resulting in Oratorical as we know it today. There are three categories which Sophomores, Juniors, and Seniors compete in: Speech, Tableau, and Spirit. The graduating class of 1988 managed to steal the show and make up for last year's disappointment, by winning both the Speech and Spirit awards. In addition, the Sophomore class walked away with the Tableau award. Unfortunately, the Juniors were shut out and left with nothing but their pride. Everyone was ex-

tremely impressed by this year's speakers. The class of 1990's speaker, Sally Chen, and her speech, "The Vanishing Screen", intrigued the students, while the class of 1989's speaker, Lee Kim, and her speech, "The Homeless", touched our hearts. However, neither could compare to the class of 1988's speaker Willie White, and his speech, "Tear Down The Walls", which brought the Senior class to victory with his words of wisdom. Oratorical this year was an uplifting event for everyone.

Pajama Party!

On March 12th the Glendale High gym was transformed into a dream zone. They called it a "Pajama party", and what a bash it was! The annual sophomore dance was a little late this year, but never-the-less, they managed to pull it off and have a great time. The students came dressed in their favorite P.J.'s and rocked like babies to their favorite songs. The high energy crowd never died, until the last song was over. Memories of the sophomore dance will live in the hearts of those who attended forever!!

Drama Department Presents: Marley And Scrooge A Christmas Carol

This year's Drama Dept. has been busy with their Christmas production, SCROOGE and MARLEY: A Christmas Carol. There was much effort put in by the students and the Drama teacher, Doreen Seeley. Not only did the cast work hard but also stage crew. They were responsible for the great set and lighting. The final product was presented on December 4th and 5th in the Glendale High School Auditorium. Drama Dept. was also involved in an assembly celebrating the bicentennial of the American Constitution. They also participated in the first annual Performing Arts Festival.

The Sparkle Of Unconcert Continues

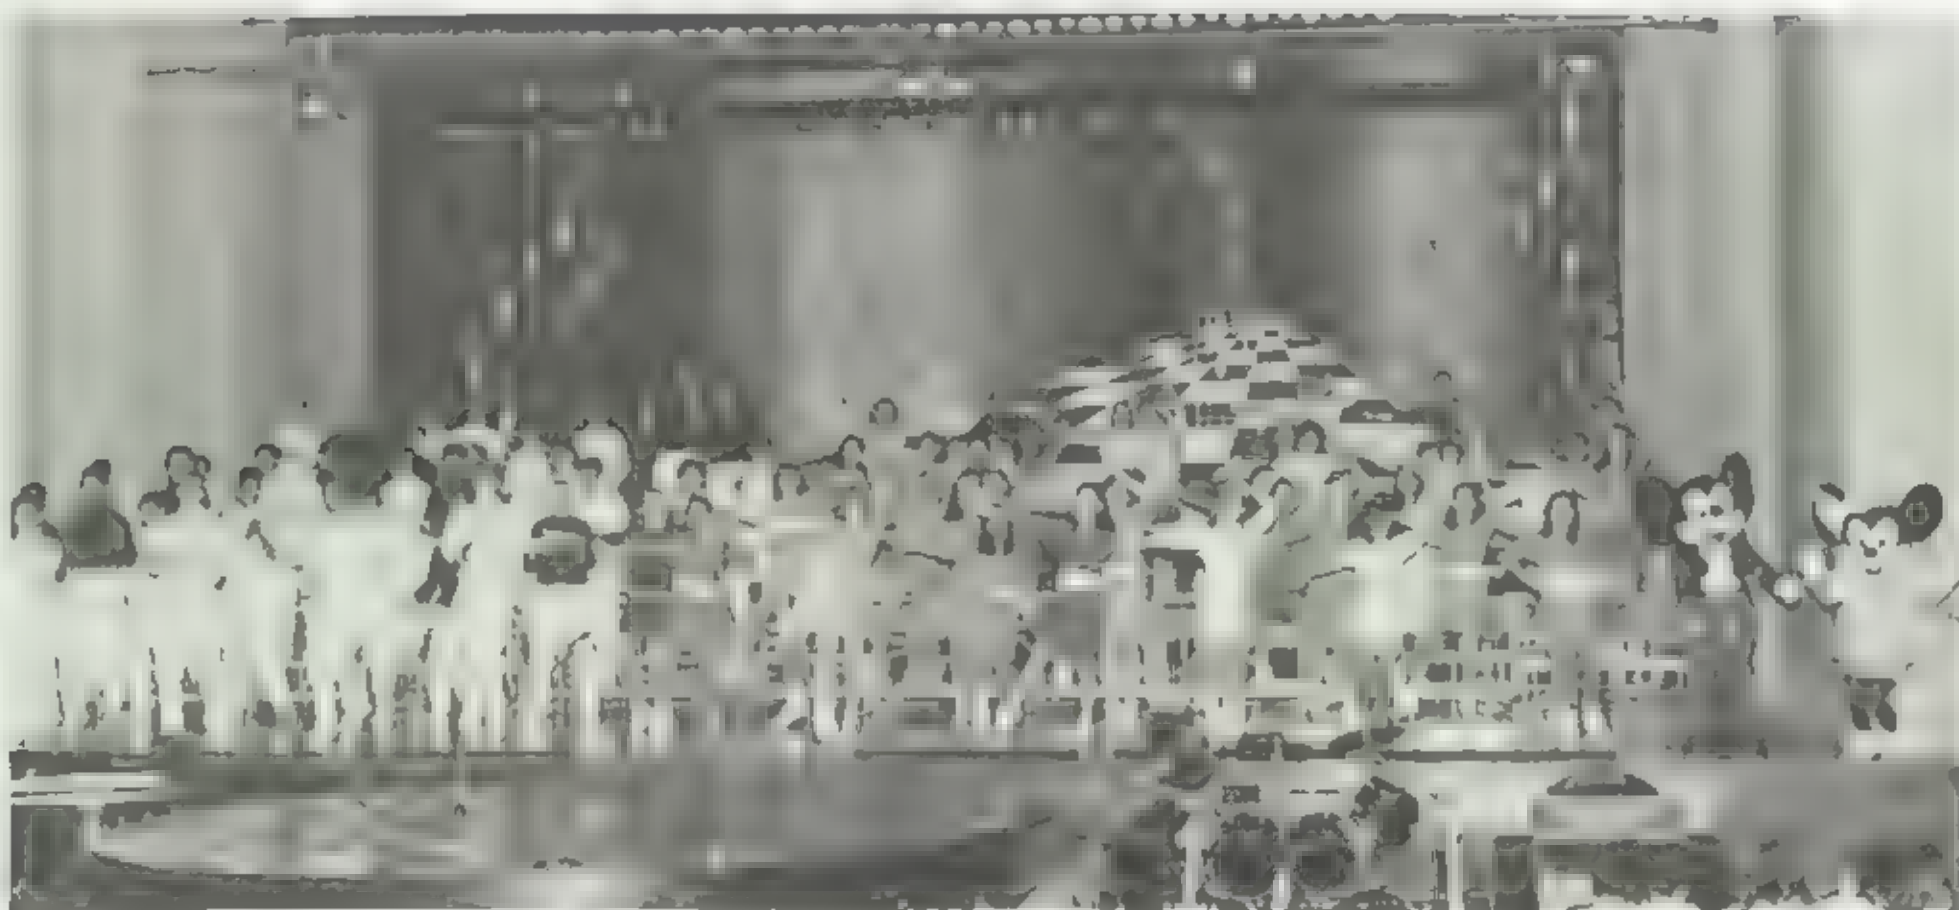

This year's Unconcert 88 performance brought the wonder of today and the magic of Disney to Glendale High School. The Acappella and Chamber Choirs showed their smashing array of talent, and jazz music complements of Concert Band's "Dirty Shoes," entertained during the ten minute intermission. Mrs. Rebecca Brister, an excellent musical director, has achieved her dream of having a sparkling Unconcert for the third time at our school with real characters from Disneyland.

Riding The Gravy Train By Bryan Rocha

RIDING THE GRAVY TRAIN. In PINK FLOYD'S "Have a Cigar" from their album WISH YOU WERE HERE, ROGER WATERS describes the commercialism in music. Why have bands from the days of THE BEATLES to BON JOVI sometimes turn top forty? It's not always their fault. Some bands change because the music industry and the style of the market these days makes it almost mandatory for every band to have one "catchy" tune. There's nothing wrong with that, but the problem is some early progressive rock bands have "sold out" and stopped creating music and started promoting beer.

With the loss of STEPHEN HACKETT and PETER GABRIEL, GENESIS has died. They are the biggest disappointment to progressive rock. And it doesn't end with them. Even early sixties' bands have taken a ride on the gravy train. Starship, originally JEFFERSON AIRPLANE and shortly JEFFERSON STARSHIP started writing songs for Motion Picture Soundtracks. So have JON ANDERSON of YES, and guitar legend, ERIC CLAPTON. These songs are written intended to be catchy and commercial. There's more to writing music than just the idea of making a profit.

But for people who appreciate music all is not forgotten YES

Hey dude! Do you ever get the feeling that

Sophomores

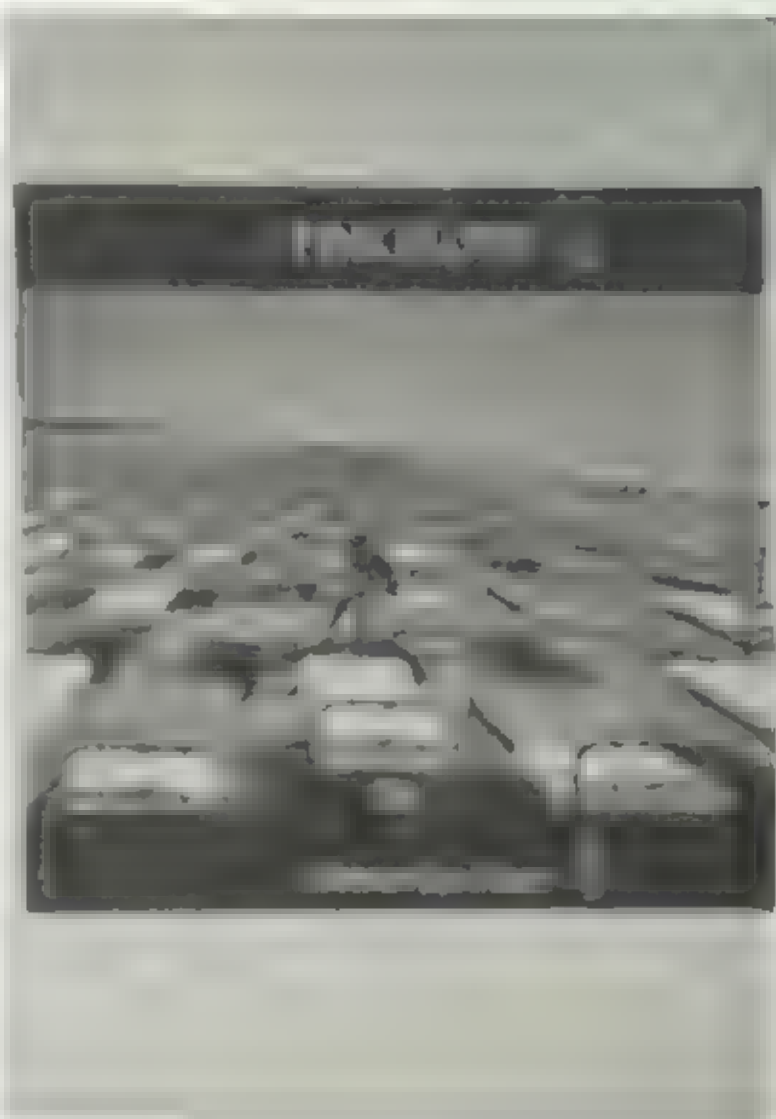

have just released **BIG GENERATOR**, it brings back melodies from earlier **YES** years, such as songs off **FRAGILE** and **THE YES ALBUM**. **IAN ANDERSON** has revived his voice and **JETHRO TULL**. **ROGER WATERS** formally of **PINK FLOYD** has done it again with a brilliant concept album about the rise and fall of a radio station. It involves an **AOR** (Album Orientated Rock) station that struggles to keep it's original format, because of the now strict station policies. **GEORGE HARRISON** has got his mind set on touring, stating recently "I can only play with my pals over forty". Heaven knows what will become of all the **ZEPPELIN** come back rumors. **ROBERT PLANT** has surfaced again with his **NOW AND ZEN** album. It should have been titled, **REMEMBER WHEN WE WAS FAB LIKE THE BEATLES**. **PLANT** obviously stole **HARRISON'S** **WHEN WE WERE FAB** concept by having old **ZEPPELIN** **RIFFS** submerged through the album. **PLANT'S** **NOW AND ZEN** is better than other "come back" albums.

What alive band is still truly dead? **THE GRATEFUL DEAD**. Even band leader **JERRY GARCIA'S** statement "Don't buy our record" could not stop it from selling millions. Thanks to **MTV** not everybody is in the dark about them. Out of all the "come back" attempts from rock bands **PINK FLOYD** should win an award. **DAVID GILMOUR**, **NICK MASON**, and **RICHARD WRIGHT** are **PINK FLOYD**. They didn't steal any ideas from **WATERS** on their **MOMENTARY LAPSE OF REASON** album. The other band members are great musicians and proved it at their **L.A. SPORTS ARENA** show. **PINK FLOYD** played the **L.A. COLLUSIUM** in April. You should have been there!

WE'RE JUST KNOCKED OUT.
WE HEARD ABOUT THE SELL OUT.
YOU GOTTA GET AN ALBUM OUT,
YOU OWE IT TO THE PEOPLE
WE'RE SO HAPPY WE CAN HARDLY COUNT.
EVERYBODY ELSE IS JUST GREEN,
HAVE YOU SEEN THE CHART?
ITS A HELLUVA START,
IT COULD BE MADE INTO A MONSTER
IF WE ALL PULL TOGETHER AS A TEAM.
AND DID WE TELL YOU THE NAME OF THE GAME,
BOY, WE CALL IT

The Heat

Looks as though Brad Sederlar is in his way south after Hoover Week.

SWFT Sophomores get lots of business this time of year.

These gals give a new meaning to the word 'ash on'.

Is On!

STOP THE BAND! Aggie Do Charger must have lost her place!

GLENDALF SPIRIT makes a grand entrance at the game!

It is November 9, 1987, and a spark sets off HOOVER WEEK. The preparations began with Dress up day, and continued with Sports Day, Beach Bum Day, College Day, Hoover Nerd Day, and of course Red and Black Day. GHS students enjoyed the carnival, by eating the many foods and desserts offered by various clubs. There were also balloons, and flowers to buy for that someone special. Finally, Friday, November 13, Beat Hoover Day arrived! A Pep Rally revved up everyone's spirit, and different classes participated against one another in an obstacle race. Car floats were decorated, and the enthusiastic Homecoming Court was presented to the student body. At last, the high spirited week came to an end as the two forces met and battled it out on the field. Surely this adrenalin packed event won't be forgotten.

Stars Shine At Homecoming Dance

November 7, 1987, the Homecoming finalists were anxious to find out who would be this year's queen. At about 10:30 p.m. Brian Kneidling announced Kristie Schneider as the queen this year. This was the most rewarding experience of high school, something I'll never forget. It sure was 'time of my life' for her. Did you ever wonder what each finalist had on her mind about being part of this year's court. During the interview process she kept thinking how this was her last chance to make a good impression. She felt she had accomplished something when she heard Brian Kneidling announced her name as one of the finalists. PRINCESS JEANNE MUELLER Her mother was excited for her because trying out for the Homecoming court shows the gentleness of the person. She is very active in high school activities such as A Cappella and Varsity Pep Squad. I felt honored because I was representing my high school. PRINCESS JENNY ROSENBLATT I was honored because the student body chose me to represent them. She did not believe it at first, but when she heard it announced over the P.A. it was official. I asked her what she would tell her daughter starting out in high school. I would encour-

age her to get involved because it makes high school fun. QUEEN KRISTIE SCHNEIDER She was excited about being selected as a part of this year's court. She would have been content with just being one of the court members. I thought becoming queen was out of my league. This will be the most rewarding experience of high school. Something I'll never forget. PRINCESS CANDACE HELLMAN Being on the Homecoming court was such a great honor for me. At first I thought I would not make it, but when I heard my name announced over the P.A. as one of the finalists, chills ran through my body. I was happy to be involved in this type of extra-curricular activity. PRINCESS ELIZABETH WEAVER I couldn't believe that the student body actually voted for me, but I loved it. When they first announced the candidates I didn't think I would make it because my name would be the last one to be mentioned. As they began to announce the '87-'88 Homecoming court my name was first and that was really special to me. She would tell her daughter to get involved because she would not want her to be a couch potatoe. They should have fun in high school.

Yet Another Year Of Success

The Armenian Club was one of the busiest clubs of the '87, '88 school year

They took part in many activities both in and out of school. During the Homecoming carnival, they introduced Armenian food to the students, and on Memorial Day, they joined Hoover High's Armenian Club and had a picnic with lots of music and fun games. During Christmas, they sold X-Mas grams to raise money. Other activities included going to a taping of a show called "Classic Concentrations", and organizing a luncheon for the teachers where they treated them to many of their cultural dishes.

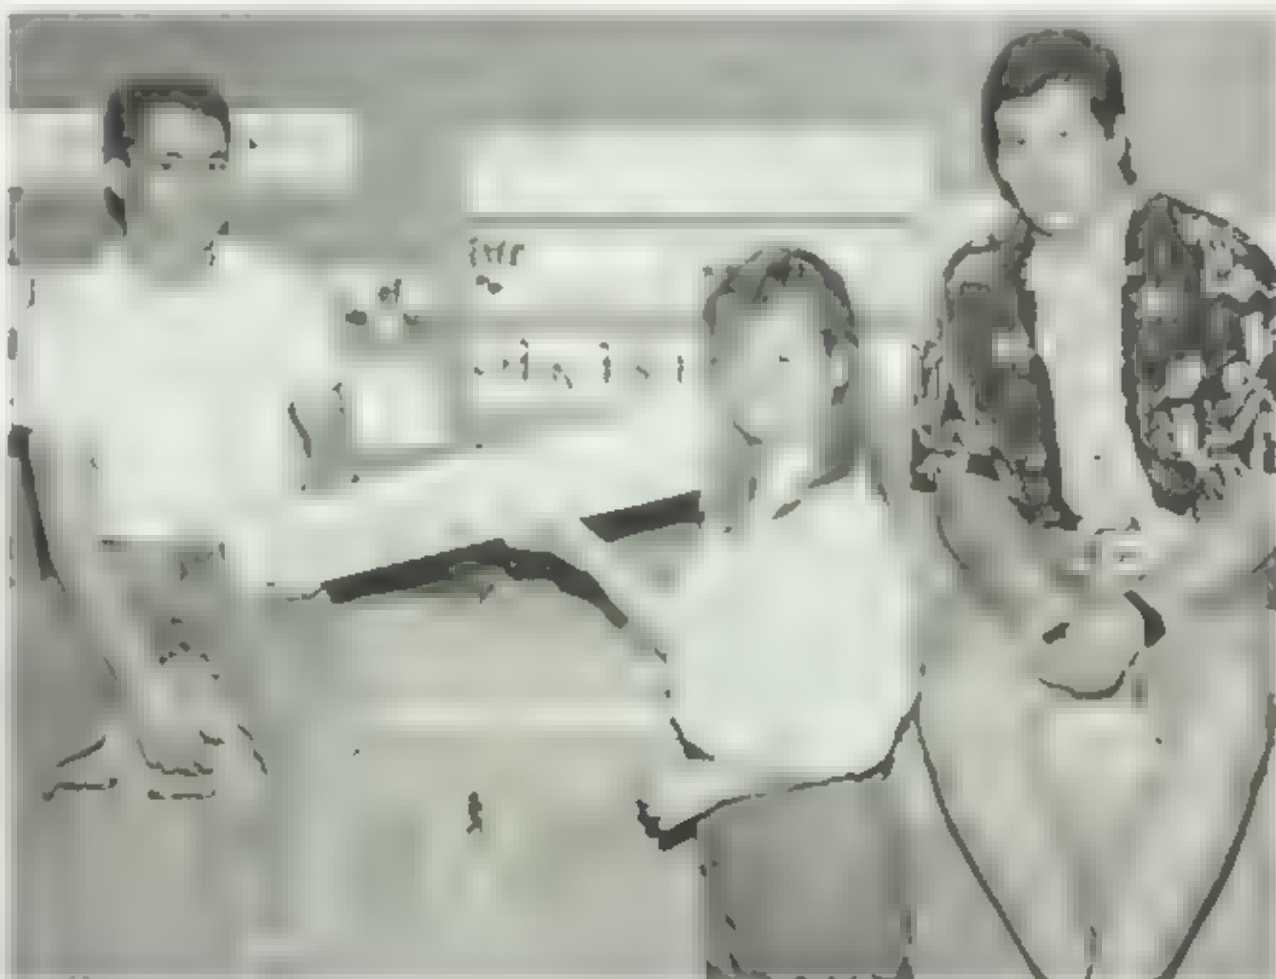

To quote **Hasmig Yaghjian**, the president, "It has been very hard to carry on our activities this year, but we struggled until we reached our goals."

Art Club Looking Forward To Next Year

This year's Art Club was not highly recognized to many G.H.S. students because it did not hold many meetings, and performed few activities. However the spirit of the Art Club still exists in G.H.S. art classes. Many art students wanted to participate in outside and/or outside of school art activities such as drawing and painting competitions. Some students also wished to have activities such as sculpture, ceramics, design, and also photography in the Art Club. Because of many students high expectations of next year's Art Club it will hopefully be more active next year.

The **Chess Club** this year has not been highly recognized although it stands strong within its members. The major purposes of the club are to increase the members' skills of playing chess and to gain good sportsmanship. The number one player now is the **Vahe Garabedian**, and they **Danny Kahan** in the second place. Their practices have improved their skills a lot. They thank Mr. Broneer who has helped each member throughout the year. He is a great player also.

Excitement! Chinese Club

This year, Glendale High's Chinese Club has had a very fun and exciting year. The club's members were increased a lot. The year started off with fundraisers through the Homecoming Carnival. The club also had the volleyball competition with the Korean Club for friendship. The exciting tournament ended with the Chinese Club winning. The Club hopes this event will become a tradition from now on. A nice party was held before the Christmas vacation; all of the members participated and had a very good time. Behind this successful year, there was a lot of effort by the officers, the members, and Mrs. Melgun. All the members thank Mrs. Melgun for her time and effort to make another fun and exciting year of the Chinese Club

All The Right Advices

Club for College Bound Students has done it again! It helped the members to increase their S.A.T. scores; its well organized officers gave members the test-taking strategies, the way to beat the clock, review on Math and English, and many more.

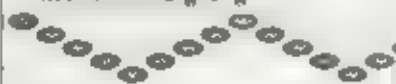

College Club also provided responses to topical issues and informative university-oriented meetings and lectures including those from college alumni and those on admissions requirements.

Fil-Americans Had A Year Of Flamboyancy!

During the second semester of last year, the Filipino/American club was re-established under the advisement of **Ms. Rodriguez**. This year **Ms. Rodriguez** was unable to be an advisor for the club but luckily, with the guidance of **Mrs. Mary Furlong**, the Filipino/American club was able to resume its position in the school. The club is open to all; not only the Filipino/American students at Glendale High. The lack of unity between students influenced the club meetings, but with the time and energy of the advisor and club officers the meetings have been very productive. The club's officers were: President-**Joy Murao**, Vice-president-**Chloe Salvatierra**, Secretary-**Peyman Elison**, Treasurer-**Raymond Shin**, Publicity- **Coco Lorenzo**.

Return Of The French Club

This year, students of Glendale High witnessed the rebirth of the French Club. Not being a part of our school's clubs for a number of years, the French Club was back this year and it was simply "merveilleux." A devoted group of students, with the help of their adviser **Bev. Polson**, made a success out of this club. They took part in many activities in and out of school, having fun, and raising money to help next year's French Club be as successful as they were this year.

German Club Booms Again

This year's German Club was successful once again. Many of the G.H.S. students became members of the club and involved in a lot of activities in and out of G.H.S. Many of the members were taking German classes in school.

Oktoberfest, which is held every year in Alpine Village, is the biggest activity of German Club. This year's Oktoberfest was very successful for the club since almost all the members participated in the trip. They said that this year's Oktoberfest was very informative and they learned a lot about the German cultures.

Other activities they had this year were watching German movies, having dinner at a German restaurant, and participating in G.H.S. Carnival.

Korean Club Blasts Off!

The years 1987-88 were made for Korean Club; the club was one of the most outstanding clubs in G.H.S. this year. With its devoted officers and active members, they could handle all the tough situations well. Korean Club is also known as the club which performs and participates in a variety of activities in and out of G.H.S. campus. The major activity this year was the volleyball tournaments, as usual. Even though they ended up having fourth place, they really had a lot of fun. The other activities they did were selling Easter grams and the trip to Magic Mountain. They also had a lot of parties throughout the year: Christmas party, end of semester party, Dinner party, and more. The coming-up 1988 Olympics in Seoul, Korea motivated some students to join the club. All the members of the Korean Club thank **Sang Hwang**, 1st semester president, for his good leadership, and **John Jung**, 2nd semester president, for his great suggestions. They also thank the advisor, **Mr. Hagen** for his time and efforts.

Math Club Gets The Attention Of G.H.S. Students

When Math Club first started, there were a lot of rumors about the club in the G.H.S. campus; "What's Math Club?", "What do they do?" After a few meetings, Math Club got the attention of G.H.S. students.

What were the things that Math Club had that got the attention from G.H.S. students? Well, it had excellent and dedicated officers. **Alex Kim** (president), **Lapoe Lynn** (vice-president), **Peyman Elison** (secretary), and **Ioana Urma** (treasurer) always met together and planned the things that are educational and get the attention on. Also **Mr. Lowe** (advisor) helped the officers to make the right decisions. Their major activities were: going to the IMAX theater, taking contests, and math tutoring. In the regular meetings they had the contests where each member had to solve puzzles to get prizes.

Hopeful Future For Science Club

This year's science club was not as active as in past years. However, they had some meetings to discuss their activities. Many students who take science classes such as Biology, Chemistry and Physics are planning to organize the club for next year. Hopefully, the coming years will bring more success to the science club.

Ski Club Gives A Solution For Students' Stress

Today, almost all high school students are under the stress of getting good grades and planning for their future. It is a relief that the most of them use their own ways to cope or deal with their stress. This year our G.H.S. Ski Club has devoted their time and effort to give a solution to the students' stress. One Ski Club member remarked that skiing relieves stress and promotes higher grades. Led by **Joe Hong** (president) and **Mr. Bounaquidi** (advisor), they went to ski on individual or small group bases. Most of their skiing was done in the winter vacation but many of the members also went over the "get-away" weekends. Most of the members are good skiers but they hope that there would be a program in the club for non-skiers to learn how to ski.

The Reconstruction Of The Social Science And Debate Club

The past Social Science Club was based on informing students about important issues at large. It formed a library of social issues for the benefit of students doing research. This year's first semester club leaders revived the club and transformed it into the Social Science and Debate Club. Virtually without funds, the Social Science and Debate Club sold coffee at Round-Up and sold otter-pops and lollipops at the "Beat Hoover" Carnival. Second semester new leaders were elected. They continued to send the club soaring!! With debates and fieldtrips, this club is destined to survive the years to come.

- 1987-88: Another "Bueno" Year For Spanish Club

Once again the Spanish Club, under the supervision of Mr. Gallagher, has shown a very prosperous year. This year the Spanish Club was under the leadership of their president **Sunday Comara**. She could not get the entire job done without the help of the club's devoted officers: **Bich Van Nguyen** (vice-president), **Joan Lee** (treasurer), **Beth Carter** (secretary), and **Charles Kramer** (publicity)

The main goal for the club was to obtain a fund that would enable them to help the poor and less fortunate. They achieved this goal by selling out their famous chili and chips at the homecoming carnival. In December, the club donated a generous sum to Mr. Gallagher's 2nd period "Sponsor a family" and "Los pobres de los pobres" (The poor of the poor)

Again, the club took its annual evening trip to Olvera Street in hopes of catching a glimpse of the Las Posadas procession.

They attended a workshop in San Marino along with several dance groups from other schools for a day. At the end of the day, each school had a chance to show the other schools their stuff by performing for each other. Five Foreigners Far From Home

I This year's foreign exchange students had the unique privilege of coming to the United States. They all enjoyed their stay meeting many new people and making many new friends. Here in sunny Southern California, these students were able to attend the infamous Glendale High School by applying for consideration to one of two programs: the Youth for Understanding program or the American Field Service

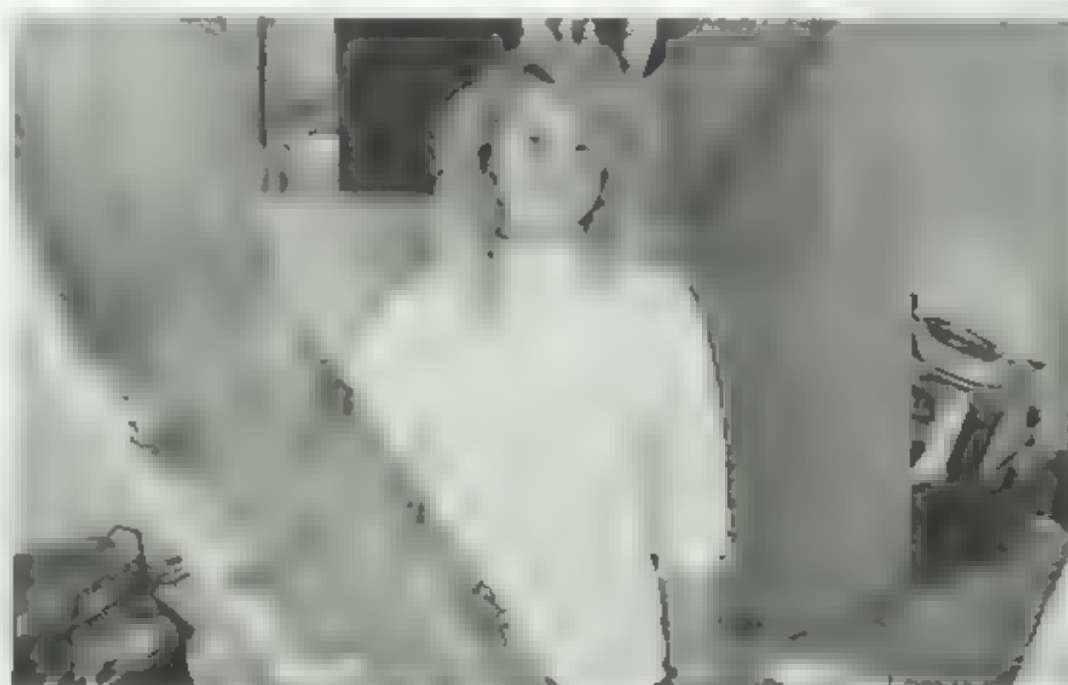

GHS welcomes this year's foreign exchange students

Astrid Balsink comes from the land of Epse, Holland. She had the opportunity to attend Glendale High for the first semester of her senior year. While in Glendale, she stayed with the Jiminez family who was her host. She was able to come to the United States through the Youth for Under-

standing program. She found the schools in Holland a lot more difficult and demanding than here. Astrid was able to play on the JV tennis team. Near the close of the first semester, Astrid left Glendale to attend school in Canyon Country.

Hi, my name is **Eva Deben**. I come from Belgium. I really enjoyed my stay at Glendale High and also everything else, especially, the beach, the weather, and all of the parties. In my country I have already graduated from school last year, but I was

able to come to the United States by going to school again. My host family, the Wrights, are really nice and Diane is my good friend. GHS is a lot of fun. I enjoy all of its many activities. I want to come back to the U.S.

Jesper models the latest fashions from Denmark

Hi, my name is **Jesper Petersen** and I am from Copenhagen, Denmark. The U.S. is so different from Denmark. I have had a lot of culture shocks. It was very hard getting used to all the American rules and restrictions because teenagers in Denmark are allowed much more, and parents do not have as much power over their kids as in the U.S. I am really enjoying my stay here thanks to the AFS organization. I would like to thank my host family, the Nagy/Nelson family, and also, thanks to GHS and all my new friends

Morten totally gets into the school spirit

Hi, my name is **Per Yllfors** and I'm from Sweden. Coming to California was a great opportunity for me. The climate here was the first shock, but I got used to it and love it now. I like GHS a lot. I have teachers and friends who make it enjoyable for me every day. I love the games and the school spirit. I came to the USA to see the culture, meet new people, and hopefully speak and write English fluently. When I return to Sweden in July, 1988, I shall never forget my year at GHS and my friends. I want to thank my host family, the Sanchis', and a special thanks to my "brother" Brad. Thank you all!

Hi, my name is **Morten Kirk** from Denmark. I really like A'cappella. I was lucky to get in Chamber Choir too. I like Glendale High a lot because the people are so friendly and will say "hi" all the time because they know I'm an exchange student. It was really difficult in the beginning to understand the language because everyone talks so fast, but being here has helped my English a lot. I have a wonderful host family; Mr. and Mrs. Stokes. They give me a lot of freedom. It will be really difficult to go home and have to say "good bye" to all my friends, but I'm planning to come back next year

Per, are you going to take a dip?

Do you mind? We're trying to work here.

School Paper 'Explodes' Again

Our school newspaper, the **Explosion**, upheld its reputation once again this year. They helped the student body become aware of what is going on in our school. This year's staff was lead by patient advisor, **Judy Lind**, and hard working editor, **Mihran Berejikian**. The 1986-87 **Explosion** was nominated for a Crown Award by the Columbia Scholastic Press Association enabling several members of the staff to attend a convention in the city of New York. Besides working on the newspaper, they had several fundraisers to help lower the cost of the trip.

Black and white activities got underway with **Rene Medina**, and the underclassmen and seniors were a joint effort by **George Speer, Hall Yee Wong, Joyce Chitilian, and Jenny Pallasch**. The awesome Faculty section was completed by **Dawn Petrotta and Laura Eldred**, while our hard core sports fans **Lawrence Ocon, Craig Rich, Jon Atkins, and Mike Fong** worked in the athletics department. Color activities was attacked with spirit by **Xuan Do and Reina Prado**-who was also our business manager. Drama Classes Don't Clown Around

Fifth period drama class participated in many productions, such as the Christmas play, *A CHRISTMAS CAROL: SCROOGE & MARLEY*, Performing Arts Night and an assembly at school. Under the direction of Ms. Seeley she has brought a new light to the Drama Department. During second semester, fifth and sixth period classes have done presentations for the English classes. Many English teachers feel that plays are better understood visually than verbally. Something new in this years curriculum is video and television techniques, for those who desire to go in this field.

Organized by Mr. Bob Briggs, a large group of students from Glendale High along with some students from Hoover (yes Whoever!) were able to get back to nature and visit the peaceful surroundings of Yosemite National Park. The bus trip up was where the fun began for the exciting week. Everyone had the opportunity to visit a graveyard and waterfall, go iceskating and hiking, and breathe the clean air. One student described the trip as "far-out, Funky". Generation after generation Yosemite should always stay the same, undisturbed and preserved, where the same scenery will always exist and the memories will last a lifetime!

Varsity Badminton: Winning Tradition!

The varsity badminton team has always been very good in past years at Glendale. The teams have even gotten as far as the quarter finals in C.I.F. Well, this year the team has different hopes. What they believe they can do is win the championship and bring another C.I.F. banner to Glendale High. Key players such as **Albert Wu** and **Jane Ong** will be an integral part of this quest for the title. Other important players are **Sai Keung** and **Fatima Jose**. Coach Rogerson feels this is a very coachable team and hopes they can win it all. So, good luck to Nitro badminton!

J.V. In The Wings

The junior varsity badminton team is hoping to develop their skills so that one day soon, they will be able to compete on the varsity level. Under the watchful eye of Coach Rogerson, these inexperienced players will grow and become better with each game they play. Perhaps some will become good enough to move up to the varsity level later in the year and help varsity badminton win the C.I.F. crown. Until, then the J.V.'s must work hard and maintain a high level of dedication to their sport. This should not be too difficult considering their character and the role models they have to follow.

Varsity Baseball Preview

The Nitro varsity baseball team is looking forward to a great season. Although baseball has been in a slump over the past few years, last year's team is an indication of recovery. With a strong finish last year, and some great players this season, the Nitros have a chance to win league. A powerful hitting attack and strong defense are trademarks of this team. Two time varsity returner **Bob Moser** will be leading the pitching staff with help from returner **Rock DeTolve**, **Bryan Kneiding**, and newcomers **Justin Lord** and **Matt Villalba**. The infield will consist of **Jeff Sofro**, **Swain Wukelich**, returner **Craig Rich**, and **Bryan Kneiding**. Returning outfielders **Ryan Brito** and **Felipe Perez** with sophomore **Marco Rivas** are also very good. Rounding out the defense is **Dave Monach** at catcher. Hitting is the name of the game for Glendale this year. The consistency of **Perez**, **Rich**, and **Brito** is matched by the power of **Kneiding**, **Sofro**, and **Wukelich**. The varsity coaches are **Chris Axelguard** and **Spiro Psaltis**. So, look for a great season from Nitro hardball.

The Nitro junior varsity baseball team is also expecting a very good season. Although the team is young with only a few returners, these boys can play ball. Returning second baseman **Mike Thomas** and returner **Yoon Jung** will be leading this club during the season. So will outfielder and pitcher **Stewart Brown** and pitcher **Dennis McManus**. Coming down from Wilson will be **Eric Kiesau**, **Bill Kirk**, and **Bill Tuttle**. Offense is also an integral part of this squad. With the clutch hitting of Thomas, and the power of **Mike Campbell**, **Brian Porter** and **Jung**, these J.V.'s should do very well. Basketball Continues To Strive For Excellence

Encore! Encore! Once again the Glendale High School Varsity Basketball program turned in another superb season. They placed 3rd. in the Holiday Classic, 3rd. in the prestigious invitation only Tournament of Champions, and 1st. in the King Kamehameha Tournament in Hawaii. Under the leadership of first year Head Coach Bob Davidson, the team finished with an impressive record of 21-5 crowning them the kings of the Pacific League. Furthermore, they proved that they played as a team not as individuals thus creating an atmosphere which made it easy for the crowd to become involved. The team enjoyed the support of loyal fans which helped them roll into the C.I.F. playoffs. In the first round, the Nitros defeated Ramona of Riverside by 22 pts. but ran into a tough Santa Ana team in the second round which they lost in the final seconds by one point. Named to this year's First Team All League were co-captains **Jeff Sofro** and **Dan Johnson**. **Justin Lord** was named to the Second Team All League while Sofro was also voted as the team's Most Valuable Player.

Junior Varsity Takes Control Of League.

Through the coaching of Don Howie and leadership of **Brian Porter** and **Robert "Rock" De Tolve**, the Glendale High Junior Varsity basketball team were atop the Pacific League. The team had many talented sophomores and juniors which joined in a team effort in every victory as well as loss

Sophomore Basketball Comes Up Two Short

The Glendale High Sophomore basketball team had a terrific season this year. During league they had a record of 8-2, which would later be a second place finish. The team took two startling losses to the Muir Mustangs, one of which was only by one point. Although they lost these two games, the team bounced back to beat the remaining Pacific League contenders, Arcadia, Cresenta Valley, Hoover, and Pasadena, twice each. The sophomores look to have a strong and ucoming team in the future, so . . . Go get um' guys

Varsity Basketball On A Mission

This year the varsity girl's basketball team got off to a great start. Varsity roundball won it's first two league games. However, the rest of the season was not as productive. Girl's varsity has steadily improved over the past few years, and almost the entire team will be returning to play again next year. The graduating seniors from this team, three in all, made up most of the starting lineup. Main players included captain **Jane Ong**, co-captain **Lia Petrossian**, **Fatima Jose**, **Kalo Saafi**, **Angela Armendariz**, **Christiane Armendariz**, and **Kim G.** Coach Meadows should be proud of these hard-working girls

J.V. Basketball

This year's J.V. Girls' Basketball Team put a lot of effort into their game. Although their record was only two wins and ten losses in the regular season. They had a winning spirit. The team was made up of mostly freshman and sophomores, which act as a building block for years to come. Mrs. Styma can use these young talents to hopefully have an even better season next year.

They're at the gate - there is the bell - and they're off! The Nitro varsity cross country team begins their quest to defeat Hoover.

Varsity Cross Country: Anew

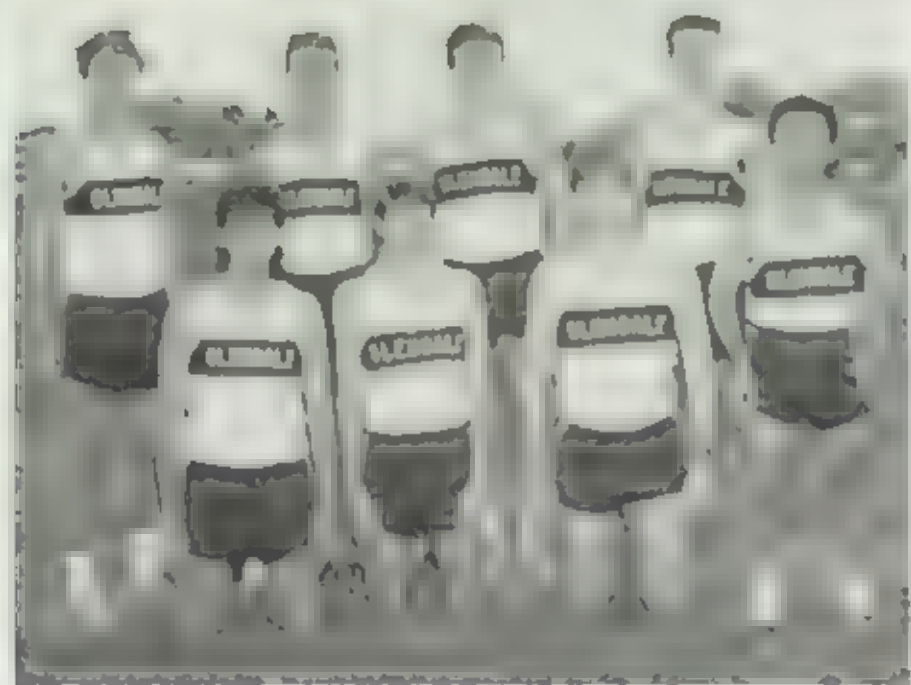

The varsity cross country team had a less than perfect season this year. The loss of **Richard Erbes** to graduation seemed to hurt the two and four Nitros. Rebuilding years are always the toughest as the varsity squad lost to crosstown rivals C.V. and Hoover. On the brighter side, some fine performances were turned in by senior **Alex Plancarte** and junior **Ed Yuh**. **Gerald Malonda** and **Zareh Movsessian** also ran some good meets. Overall, every member of the varsity cross country team ran hard and should be proud of themselves!

J.V. X-Country: Looking Ahead

The boys junior varsity cross country team had an almost identical season to that of the varsity. Unfortunately, they also had a rough year and finished with a two and four record. As with the varsity, the J.V.'s also lost to crosstown rivals C.V. and Hoover. The constant moving of runners from the varsity to J.V. and back to the varsity level might have adversely affected the squad. But the comical antics of **Rick Berg** kept the teams spirits up all season. **Brian Sholer** and **Paul Singh** led the J.V. squad with several high finishes each. All said and done, these hopeful rookies are looking forward to working hard next year for the varsity.

Learning The Ropes

The sophomore cross country team finished with the best record for the Nitro boys. The hardworking newcomers to Glendale High finished the year with an even three and three record. However, both C.V. and Hoover also beat the sophomores completing a three team sweep. Leading the team were **Chris Guyer**, **Marco Rivas**, and **Walter Wood**. With these fine athletes, the future looks good for Nitro cross country.

Cross Country Makes Comeback In League Finals

Expected to challenge C.V. for the league championship, the 1987 Girls Cross Country team got off to a slow start. They lost to the 1986/87 Pacific League Champs Crescenta Valley, while in the same day defeated Pasadena High. The hard work and endless hours of practice began to pay off at mid-season, but unfortunately it wasn't enough to pull the Nitros through. They lost to Arcadia by two points and against Hoover, the team's performance was far below expectations. Due to disciplinary action by Coach Bronneer the Glendale team met the Tornados with only six girls, three of which were on varsity. The result of the Muir meet was more favorable towards Glendale. All seven varsity girls placed in the top ten. At league finals Anna and Debbie made 2nd team All League. Glendale's M.V.P. was Anna Melikidse while **Sharon Moscoso** earned Most Improved for the 1987 season.

Junior Varsity Looks Promising

The girls Junior Varsity team had a very successful season. They won most of their meets by forfeit, but came out strong at league finals. They finished third overall in the Pacific League. Their season record for 1987 was 4-2. This junior team was filled with much talent. In league **Shere Wong** finished first for G.H.S. and fifth overall. Rounding of the junior varsity team are sophomore **Shannon Magness**, Sophomore **Treva Smith**, sophomore **Kim Stevenson**, and freshman **Allison Kallik**. Most Improved Sophomore was **Kristina DeHeck** and **Debbie Corkum** was elected Most Valuable in the soph-frosh division. This team looks forward to many future successful seasons.

Despite Sub-par Season, Nitros Make A Valiant Effort For The Title

The 87-88 football squad was plagued with injuries all season. All C.I.F. candidate, linebacker **Marc Reeve** was out with a shoulder injury. Along with Marc, seven other starters were out at one point of the season. Although this was the case, the team performed rather well under the circumstances. Leading the team in tackles, **Hector Herrera** was named to the Pacific League second team. Other squad members who made the second team All League were, defensive back **Tony Polino**, punter **Paul Justiniano**, and running back **Charles Schumate**. The players named to the first team All League were, offensive lineman **Victor Joles**, offensive tackle **John Garret** and tight end **Rod Cassidy**, who led the area in receptions. Even though, their record was 2-6-2 they were only 9 points away from playoffs. The Nitro football team tied Bell Jeff and Arcadia, and against Pasadena they were leading 15-13 in the third quarter when Pasadena scored in the fourth putting them ahead for good. In the rival game against cross town Hoover, running back Charles Shumate scored on a 52 yard touchdown run but due to a penalty on the play, the touchdown was denied and Hoover went on to win by the score of 3-0.

This years Sophomore team completed the season with a 5-5 record. They lost many close games which could have been victories for them. Against cross town rival Hoover, the Nitros came up short at the close of the game. The team had many standouts which included Running Back **Arsenio Guevara**, who was the offensive M.V.P., Freshman Lineman **Albert Ocon**, Quarterback **Eric Kiesau**, the M.V.P. for the Sophomore squad **Michael Campbell**, and the Defensive M.V.P., **Bill Tuttle**. This Sophomore team was coached by **Mark Meredith**. They hope to have another productive season next year.

Golf Hopes For A Glorious Season

Putting in a lot of time, effort, and dedication, the Glendale High School Golf team hopes for a more successful season than they had in previous years. Freshman **Paul Munsch** is ranked number one for the Nitros, while senior captain **Brad Roe** follows closely behind in the number two slot. A new addition to the team is Swedish transfer student, **Per Yllfors**. Per is ranked number four on the varsity squad. Regardless of their lack of experience, this team will be a strong contender in the league. These fine young golfers never let a loss get their spirits down. They always continue to strive for success, have a good time, and enjoy their sport. They are also motivated largely in part by the time and dedication put in by their coaches **Mr. Tim Butler** and **Aido Buonaguidi**.

Var. Softball The Big Time

The varsity softball team has very ambitious hopes for this season. They plan on winning league after a somewhat disappointing fourth place finish last year. First year head coach Fawn Spradlin will rely on the leadership of senior returners **Kasie Romero** and **Debbie Horton**. Coupled with the veterans will be a few rookies by the names of **Megan Hancock**, **Kim McDonald**, and sophomore **Jennifer Johnson**. All in all, the varsity softball team expects a prosperous season.

J.V. Softball The Farm Club

Junior varsity softball is expecting a productive year out of this young group. Most of the team is comprised of sophomores which could lead to some volatile games. But varsity coach Spradlin claims there is plenty of talent on this J.V. team, and says that some of the junior varsity are talented enough to play on the varsity level. This creates a pleasant situation for this group of girls next year on varsity. So, work hard J.V.'s and reap the benefits

Depth Is The Road To League Title.

Depth is the road to success for this year's boys swim team. With eight seniors and seven juniors on the varsity team the swim squad is looking extremely strong. Glendale's toughest competitors will be Muir and Hoover High Schools, but with the depth the Glendale boys possess they will have a very prosperous season. Thus far, the Glendale swimmers are undefeated and are entering league play by coming in first place in the Pacific League Relay meet. With strong swims from seniors **Lawrence Ocon**, **Ryan Henspetter**, **Tamaki Murakami**, and juniors, **James Paisley**, **Stephen Berensten**, and **Leo Ocon**, along with the other swimmers, the 1988 boy's swim team is bound to attain the Pacific League title.

Girl Swimmers Are Simply On Fire

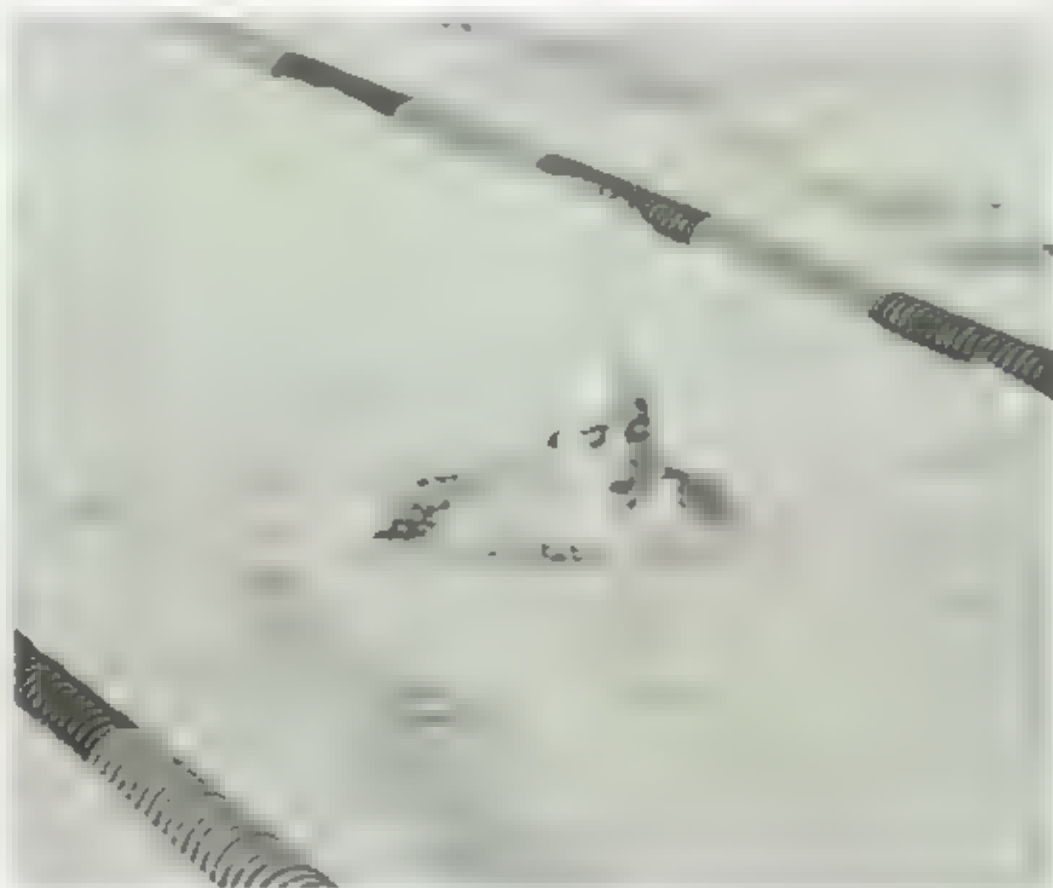

Although the Glendale High School girls swim team has one of its youngest team ever, with only three seniors, they also have one of the strongest girls swim team in many years. With strong swimmers such as, **Robin Colvett**, **Lynn Reynolds**, **Jennifer Da Silva**, **Paige Dameron**, **Janet Farris**, just to name a few, the girls team is off to a league championship season. Among the league contenders of Muir, Arcadia, Hoover, and Crescenta Valley, the girls swimmers have already come in first for the League Relay meet. Muir and Hoover should be Glendales toughest competition, but with key swims from the Glendale girls, there should be no stopping them

Glendale Highs boys' tennis has taken on a new road this year with the help of new **Head Coach Bob Davidson**. With coach Davidson running things, the team is looking very good. By opening up the season with impressive victories, the tennis squad is looking above all expectations.

Through the help of **Martin Escos, Felipe Martinez, Matt Mikas, and Kasey Poon**, along with others, the Nitros have a high possibility of going to the C.I.F. playoffs. With these factors in their favor, they will most certainly be a force, of the Pacific League, to reckon with.

Varsity Tennis: A Smashing Season

The varsity girls tennis team continued the Glendale tradition of strong performance in this sport. The Nitro girls shared the league title with Arcadia and went through league with only one loss, coming at the hands of the Apaches. They then proceeded on to CIF where they were finally beaten. However, the varsity squad defeated both arch rivals C.V. and Hoover twice this season — and beat Arcadia once to earn the right to share the league title with the Apaches. Some of these fine tennis stars included team captain and M.V.P. **Tracy Fabian**, junior **Lynn Reynolds**, sophomore **Kristy Kneiding**, and freshman **Debra Wacker**. The most amazing aspect of this team is that all but one player, Fabian, will be returning next year. It appears that Coach Rogerson has built up a fine dynasty of outstanding tennis teams for herself over the past few years. And under her leadership the varsity tennis team should have a fantastic season again next year.

J.V. Tennis: Chips Off The Old Block

The junior varsity girls tennis team followed right in step with the varsity netters. Another impressive Glendale tradition appears to be forming. These hardworking Nitro girls lost only one game in league play, coincidentally also to Arcadia, but went on to be the champions. Too bad there is no C.I.F. competition for J.V.s, for if there was, the Glendale squad would have probably won hands down. Unfortunately for Coach Spradlin and her troops, they will have to wait until next year for any post season play. But this year was nothing to scoff at with consistent great play by **Julie Zarah**, and **Louise Lazo**. All of the J.V. players should feel proud of their accomplishment and continue to play hard for Glendale. So, it appears all the hard work paid off for these girls making Nitro tennis look promising in the days to come.

Nitros Struggle For Success

The 1988 boys Varsity Track team has not gotten off to the kind of start they had hoped for. The team competed the early part of the season without top ranked members Peter Kallik and David Huh due to injuries. Their record, which they hope to improve, now stands at 3-1. They defeated South Pasadena High on the road and rallied with the girls team to capture the City Track title over Hoover and Cresenta Valley. This years team is led by senior Peter Kallik in the hurdles, junior David Huh in the jumps, senior Chris Ablin in the shot put and the discus, junior Will Pfaff in the sprints, junior David Hazen in the pole vault, and junior Ed Yuh in the distances. The team elected Peter Kallik, David Martirosyan, and Zareh Movsessians as captains.

After a disappointing third place finish in league last year, the 1988 girls track team will settle for nothing less than the league crown. With their talent and determination they just might get it. Despite the fact that they are a young team, only three returning seniors, they are proving to be one of the best teams in the Pacific League. G.H.S. secured the city title behind the strength of the girls. They captured ten first place finishes, eleven seconds, and three thirds. They stand undefeated at 5-0 in both dual and invitational competition. In the sprints Nancy McCaul and Jami Schahn are at the top. Candice Figueras and Sheree Wong are the top hurdlers. They are also led by Missy Helms in the 440 and high jump and Elizabeth Weaver in the shot and discus. In the distances Anna Melikidse leads in the 880 and the mile while Sharon Moscoso and Debbie Corkum are the two milers. All but two of these girls are returning Varsity runners.

Varsity Volleyball Battles To Be The Best

The 1988 boy's varsity volleyball team is well on their way towards a successful and competitive season. They are ranked in the top five in C.I.F. The Nitros are expected to capture the Pacific League Title and go into the playoffs on a high note. They are a well rounded team with strong middle and outside hitters. Adding to the talent is the setting of **Rick Callister**. Although the starting squad is a young one which consists of one sophomore, three juniors, and two seniors, coach Trotter describes the team as "young but well experienced".

Junior Varsity Shows Promising Potential

This year's junior varsity volleyball team was led by Captain **Brad Soderlund** and returning players **Nick Avakian**, **Ray Avedian**, **Dong Lian**, and **Peter Wong**. This team shows promising potential with the addition of four strong freshman, three of which are on the first team. The rest of the second team consists of some sophomores and a few juniors. With the leadership of second year coach **John Son** the Nitros team outlook is good for the season. As one of his players said, "John shows us what we do wrong, but never fails to encourage us." Early in the season the team did well in the Redondo J.V. Tournament.

Varsity H₂O Polo: 1 Game Short Of League Title

With nine returning Var. players, the 1987 H₂O Polo squad had a very prosperous season. With a 6-2 record, placing in the Pacific League, they lost only to Muir. After beating Arcadia 20-3, and CV 19-9, the team took a disappointing overtime loss to Muir 10-8. Rejuvenating, the team beat Pasadena 15-9 and finished the regular season by beating Hoover 11-4, with a record of 4-1.

In league prelims, the H₂O Polo team beat CV for the second time 14-4. Going into the championship as the underdog, the team tried their utmost for a victory. Down by one with 28 seconds left in regulation time, GHS simply couldn't get the shot off, and when the clock showed 0, the score showed 13-12. **Kerry Planegger** received M.I.P., **June Ro** and **Jerry Walton** received Captain Awards, and **Lawrence Ocon** received team M.V.P.

G.H.S. H₂O Polo Face Defending CIF Champs In First Round Of Playoffs

Entering the 1987 season, the Glendale High H₂O Polo squad were ranked fifth in C.I.F., the highest a Glendale H₂O Polo team has received. Although this being the case, the team came back strong to reach C.I.F. Playoffs, under the leadership of tri-captains, **Lawrence Ocon, June Ro, and Jerry Walton**. Going into the first round of C.I.F. the H₂O Polo team had to face defending 3A champions, El Dorado. Even though the team lost by the score of 15-9, Lawrence Ocon broke a school record by scoring his 111 goal; this broke the previous record of 106 goals in a single season. The Glendale High sophomore H₂O Polo team finished the season with a 5-2 record, placing second in the Pacific League. The team consisted of six returning players, which provided much

experience and leadership to the team. The coaches were also very pleased with the freshman on the team, which caught on to the game quickly. **Dal Trubey** was named M.V.P.

Editor's Note

Every year there is a lot of talk about coverage; who gets it and who doesn't. It's a true cliché that you can't please all of the people all of the time, but this year we, the Stylus Staff, set out to break down the biggest wall that exists at G.H.S.-the one between people. Yet the fact remains the same; those who have the least to do with the production of something like this, have the most criticism! Get involved! The bigger the variety of this group of selected people the more the student body will see! And now to the eyes of G.H.S. who helped create this book, here is my letter to you: So folks, it's finally done! I've never seen so many faces light up at one thought! I'm thankful and relieved; one-hundred pages in two weeks! It seemed impossible. To our photographers, so many pictures so little time! But don't you think it paid off now? Armen, you saved my sanity a million times with those four little words "OK I'll do it . . ." And I promise you, you'll never go to Greyhound again! Hulkster my favorite, you work too much! Take a break! Ovi, "Inch beses?" and goodmorning. Thanks for coming in early! Kelten, "Out to lunch?"

Special thanks for your overtime with ads. And dearest Sharon, here's where I'll tell the world of your lightning speed, drive, and determination . . . as a Stylus photographer! Priya, you kept these five turkeys in line. By the way, is there anything you want to tell Kenny? Lawrence, "When you're stranded you will save you?" Craig, "Whas up big C?" Jon you're so quiet yet so witty. And then there's Michael; who made "Fong-Do outa you! I guess you learned a lesson! Reina, your such an awwesome business lady (and typist)! Didn't ya know? HAVE NO FEAR George Speer is here! "Hi guy" that was pretty gay. To Xuan and Hall Yee; may you forever be successful in Ge-

ometry. Miss Jennifer Pallasch, DAMN you know how to make me mad! But we survived! Marina, you and your car hold a place in my memory; "Oh, Oh, you know what? I was doing 95 Mike, I swear!" Alex, good luck with next year and remember, organization is the key! Joyce, you win the worker of the year award- always everywhere at once! Thanks to Dawn and Laura for getting it all in -ON TIME! Rene, speak up son, you've got a lot of great ideas. Chris, "Well, umm, ahh, you see, well say that again . . ." thanks for everything, P.S. You'll never believe who I saw at Jack in the Box! And finally to Bryan Rocha and Pink Floyd enlightener of G.H.S.-you were there when all was lost a noontime ceramasist, and loyal friend. I'd also like to thank from the bottom of my heart those who came to our rescue when we almost didn't make it; To Dunlap Turney for their concern and extra effort towards our behalf, to the EXPLOSION photographers who so generously submitted pictures for sports, and other special events, to Paul Collins our Jostens representative, and last but not least to the unforgettable Doc Griffiths, a great advisor.

My last thank you goes out to my parents and to Charles Bell, whom I love dearly. You always got me back on track when I was feelin' low.

In closing I'm at a loss for words. There were folks who said we wouldn't get it done - thanks for proving them wrong! When the going got tough, the tough hung together and cranked out pages at millimeter speed! So all in all this is it, Goodbye and good luck to all of you!

The Man Behind G.H.S.

Samuel S. Harvey- Principal

Mr. Harvey strolling through the campus on a rainy day

The activities that you were involved in and the recording of the many Glendale High events will be fresh in your minds as the 1987-88 school year comes to a close. As the years pass, I'm sure you will appreciate even more your copy of this year's Stylus. It's always enjoyable to have a pictorial record to refer to later on in life. I hope that the many friendships you have found will continue to grow and that you will look fondly back to your days spent at Glendale High.

May each one of you reach your true potential and that you will be successful in reaching your goals in life. Continue to strive to do your best no matter what it may entail.

Samuel S. Harvey

Administration

Miss Joy Uzzell, Dean of Students

Mr. Bill Wild, Assistant Principal

Personal contact and communication with students and faculty play an important role in the job of Mr. Wild, Miss Uzzell, and Mrs. Neil. Extensive paperwork coupled with talking to parents, teachers, and students to improve Glendale High School's educational program employs most of their time.

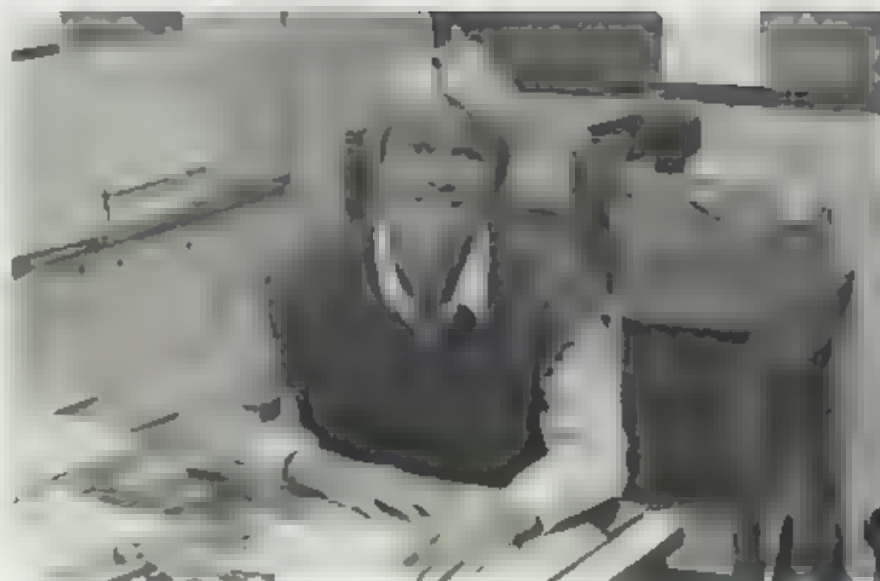

Mrs. Lois Neil, Assistant Principal

Counselors

Sam Wernle, Head Counselor #3

Denise Jones, Counselor #1

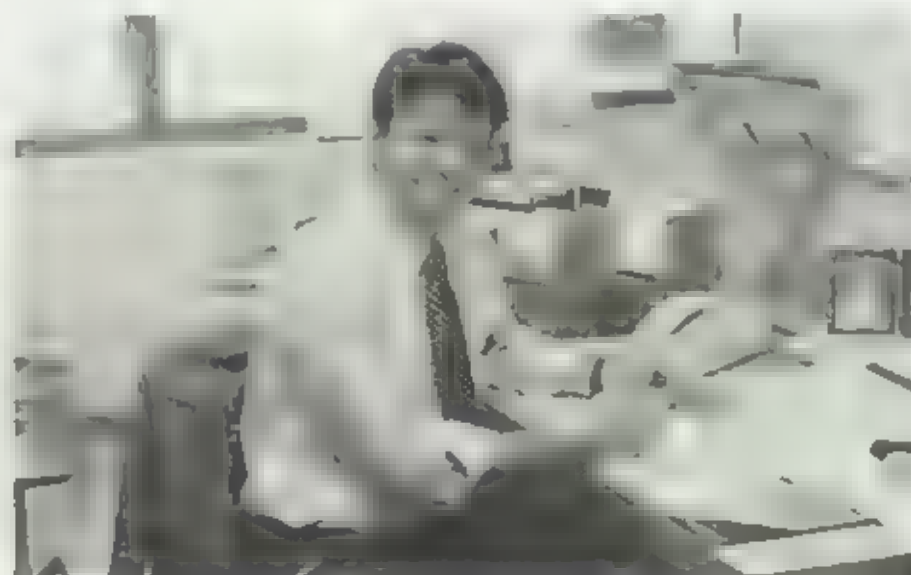

Barbara Clark, Counselor #5

The Glendale High School Counselors work very hard to meet the various need of our student body. Assisting students in selecting courses to meet graduation requirements, entrance requirements for college and just being someone students can talk to, are just a few of the many tasks that occupy their time. You can tell just by looking at the smiles on their faces that they truly enjoy what they do. And it's no wonder, because EVERYBODY knows "Glendale High's counselors are the BEST!!"

Carolyn Pung, Counselor #4

Dennis van Bremen, Counselor #2

Teachers: Definitely Off The Wall!!!

What is school? What are teachers? What's a classroom for? What do you do with a physics book? **WHAT DOES THIS ALL MEAN?**

Well, these GHS teachers and students definitely seem to have all the right answers! Mrs. Mack, Mrs. Spradlin, and Mr. Shafer are just a few of our funloving, wild, and crazy, and extremely off the wall teachers.

Our faculty is an array of talented men and women, dedicated to educating the students of the future. In addition, they successfully manage to keep our young minds from wandering during class. And that's a job in itself!!!

Never let them see you sweat ' PE playin' it cool.

We Will Miss You Mr. Wernle

This year we are sorry to say good-bye to one of the most influential members of our staff, Mr. Wernle. After 32 years of service at Glendale High School, he is retiring. However, memories of his contributions will never be forgotten.

Mr. Wernle taught at Van Nuys High School for 2 years before coming to GHS in 1956. Mr. Wernle has coached basketball at Glendale, as well as taught Science, English, Math and Health and Guidance. Nevertheless, he is most recently known as being a counselor for 21 years, and Head counselor since 1981.

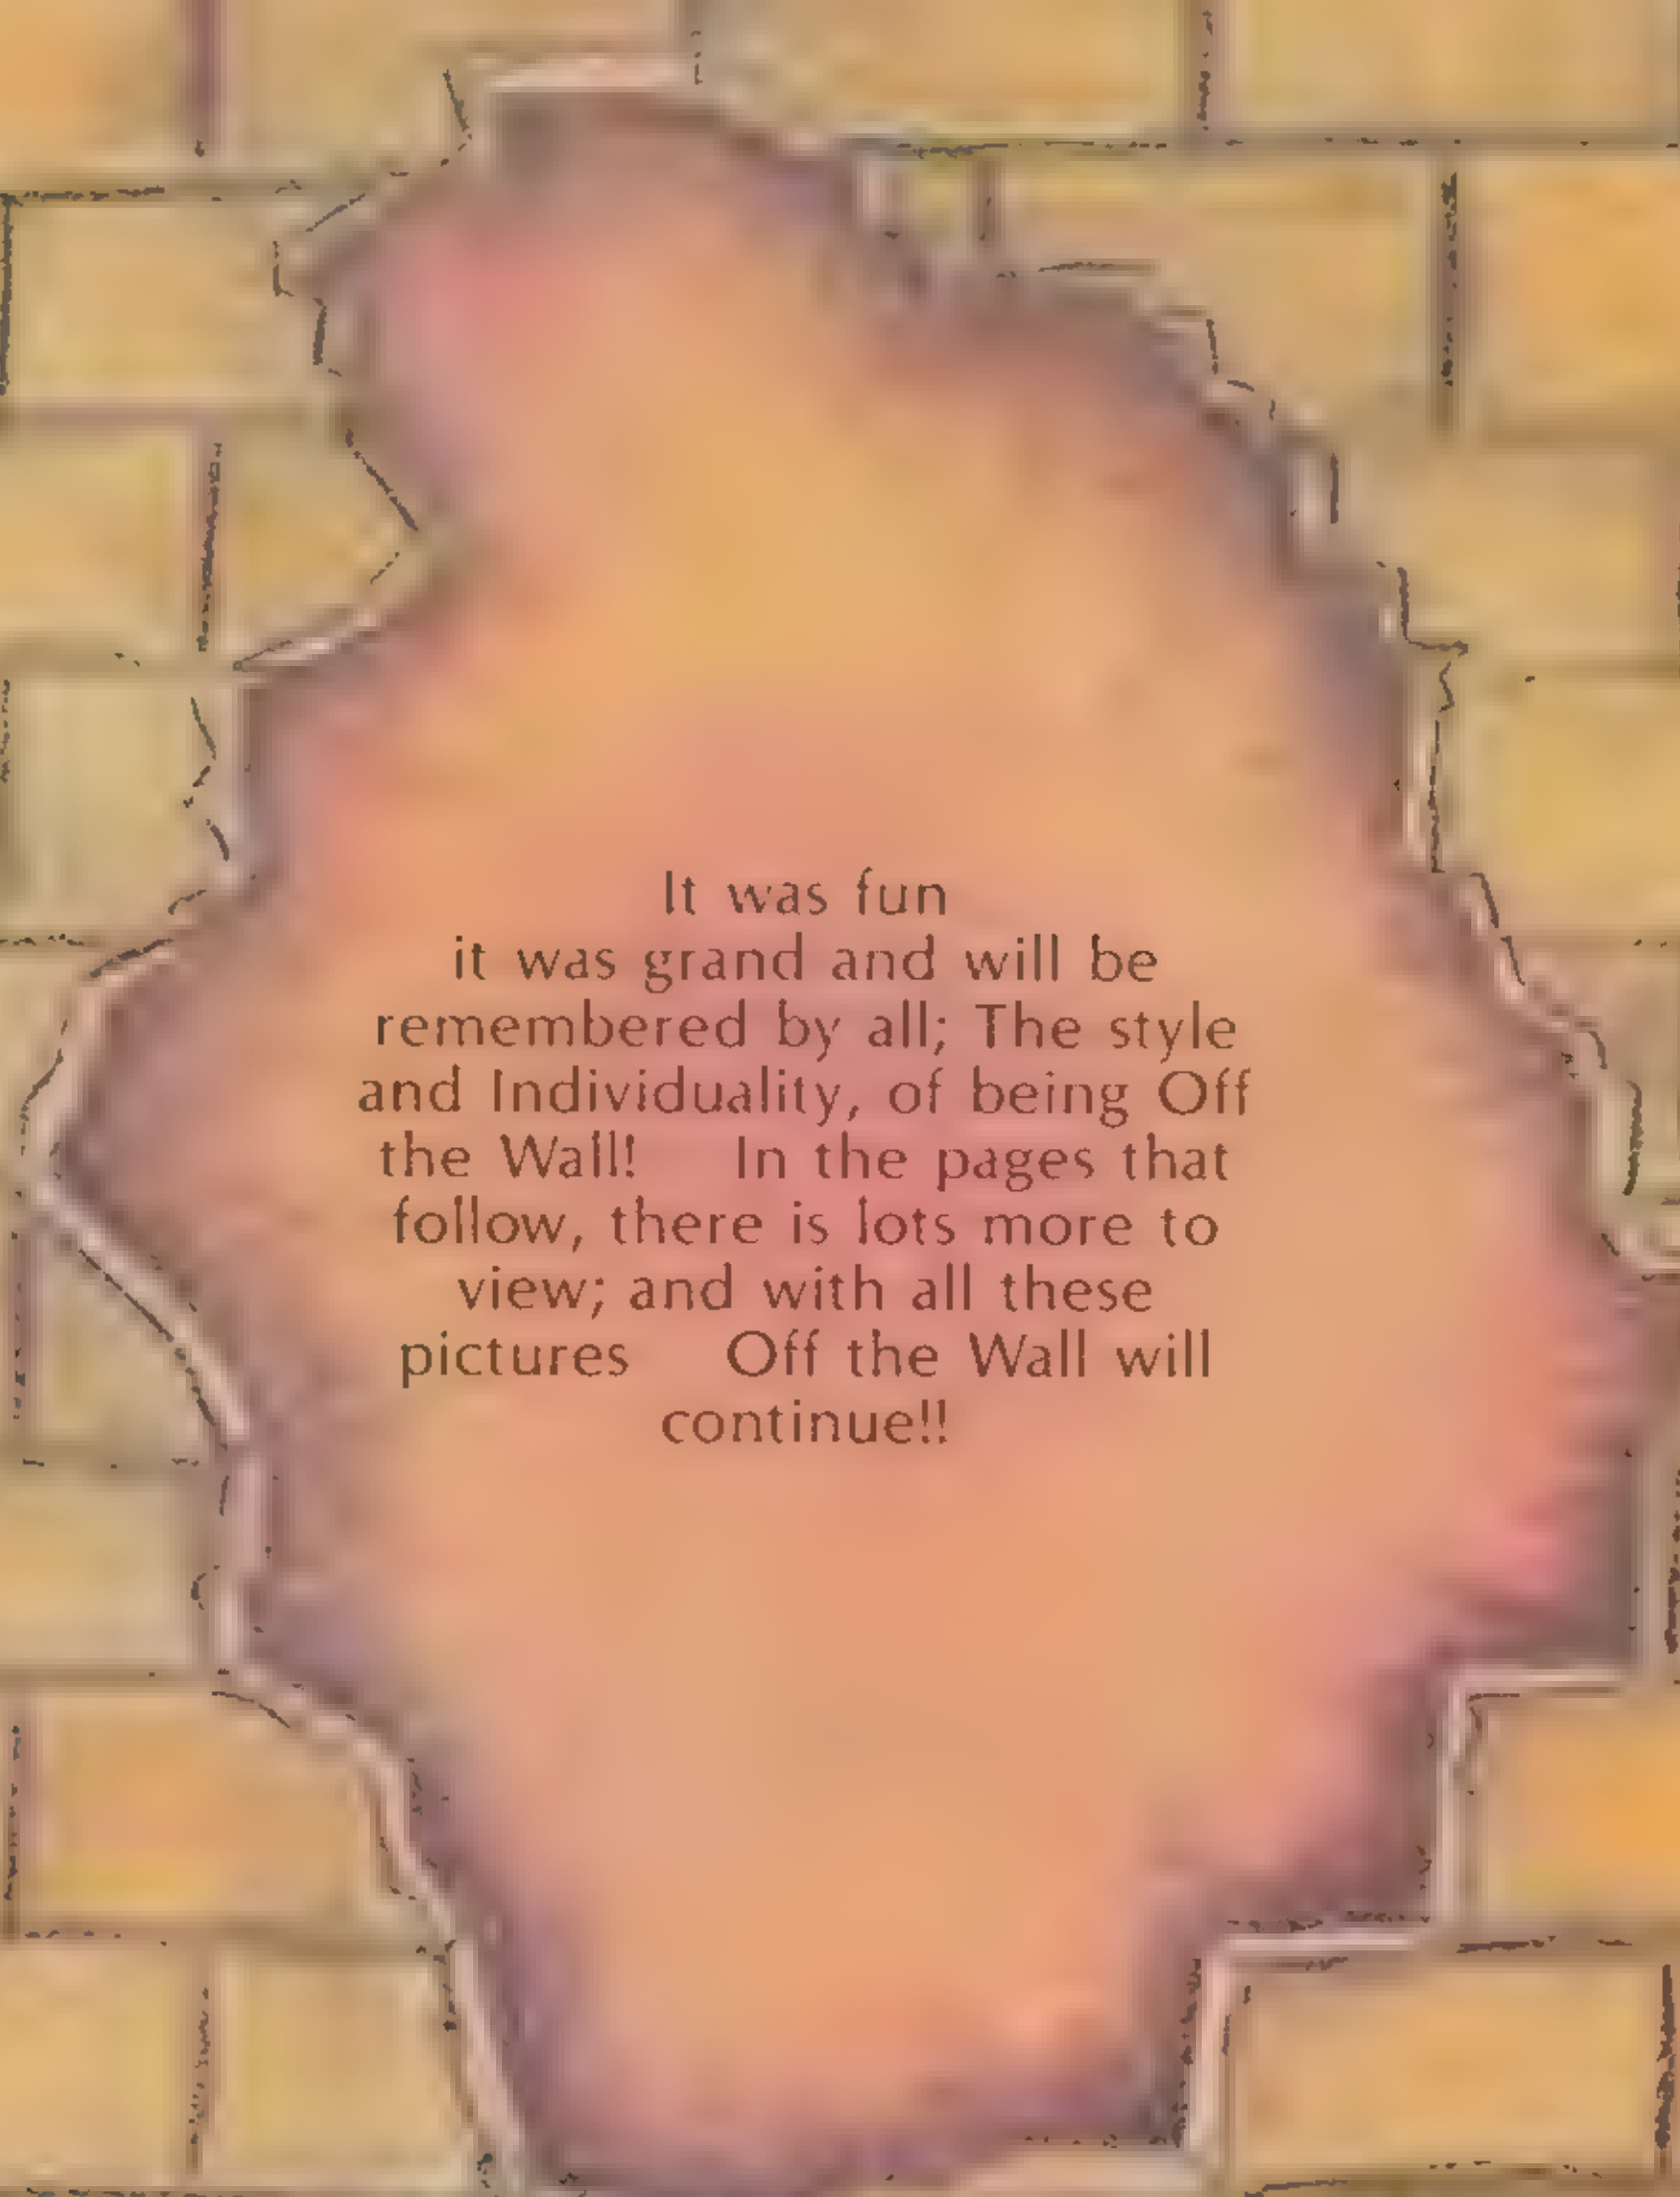

In addition, Sam Wernle was the first male to teach girl's P.E. (badminton and tennis), long before co-ed P.E. was introduced to the district.

Perhaps Dawn Petrotta can best sum up the extent of his service. "Mr. Wernle was a great counselor and he will be missed dearly by the staff and student body here at Glendale High."

Never a dull moment with Mr. Wernle. He always gives 100%.
